## A Night Of Terror.

"Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she could not live till morning," writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from Pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. After three small doses she slept easily all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. Trial bottles free at the Bisbee Drug Store and Copper Queen Co.

## Murder and Suicide at Tucson.

A suicide and homicide occurred in Tucson Sunday and the Citizen of yesterday contained the particulars of it. Mrs. Ethel S. Rowe, 32 years old, the divorced wife of S. G. Rowe, the book-keeper of the Eagle flour mills, murdered her nine-year-old son, Saunders S. Rowe, Jr., and then committed suicide. The dual crime was undoubtedly committed Sunday night, but has not been discovered until Wednesday morning.

Mrs. Rowe has lived in Tucson since she was a child. Her maiden name was Ethel Saunders. Her mother is dead. Her father is now at the Vulture mine. She has one brother and one sister. The brother is also at the Vulture mine and the sister is in Los Angeles.

Miss Saunders and Mr. Rowe were married in Tucson nine years ago. The couple separated two and one-half years ago. Mrs. Rowe applied for and secured a divorce a year and a half ago. The court ordered Mr. Rowe to pay his divorced wife \$25 a month for the support of the child.

Mrs. Rowe and her child have for some time lived at 139 Court street. She has supported herself by keeping boarders, but during the past few months she has had no boarders and the \$25 a month mentioned has been her only income. The first inkling of the horrible tragedy was gained when Hugo Donau received an envelope containing a key and the following letter:

Tucson, Sunday, Sept. 3, '99.

Mr. Donau—In this letter I send you the key to my house. In the top drawer of my desk you will find all my papers, etc., also a book with my funeral listed. Believe me, I have tried my very best to do the right thing by one and all. I have no requests to make about myself.

Thanking you many times for the past favors you have done for me, and hoping the near future will find all things done right, as I firmly believe you will find them, I remain,

ETHEL S. ROWE.

Mr. Donau received the letter at the postoffice Wednesday morning. Why it did not reach him Monday or Tuesday is a mystery. Mr. Donau, accompanied by two friends, at once went to the house of Mrs. Rowe. The sight that met their eyes inside is beyond description. The nine-year-old child was found drowned in the bathtub. Mrs. Rowe had hung herself in the doorway between the bedroom and the kitchen, although the rope had broken and the body had fallen to the floor after life had become extinct. Both bodies had begun to decompose. The house has been closed and neither Mrs. Rowe or the child had been seen alive since Sunday evening. In view of these facts it is thought that Mrs. Rowe murdered her child and committed suicide Sunday night.

## A Word to Mothers.

Mothers of children affected with croup or a severe cold need not hesitate to administer Chamberlain's Cough Remedy. It contains no opiate nor narcotic in any form and may be given as confidently to the babe as to an adult. The great success that has attended its use in the treatment of colds and croup has won for it the approval and praise it has received throughout the United States and in many foreign lands. For sale by all Druggists.

According to a dispatch to the Salt Lake Herald from Vernal, Utah, the flockmasters of that section have struck another snag, which adds to the inconvenience they have experienced since the exclusion of sheep from the timber reserve. A number of herds have been moving in the direction of the Uintah reservation since the admission of sheep at the rate of \$50 per 1,000, and the Indians, fearing that the range for their ponies will be seriously affected, are now making a loud protest, and is reported that no more will be allowed to enter until further notice.

## YOUR FACE.

Show the state of your feelings and the state of your health, as well. Impure blood makes itself apparent in a pale and sallow complexion, Pimples and Skin Eruptions. If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Blood Elixir. It cures all blood diseases where cheap Sarsaparilla and so called purifiers fail; knowing this we can every bottle on a positive guarantee. For sale at Bisbee Drug Store.

At every opportunity, precaution should be taken against colds. If this was done much inconvenience might be averted and less damage sustained. The plan to extend the bulk head from the flood gate to the company warehouse, which was talked of some time ago, but never put into execution, was good and for the best interests of the property owners on the north side of Main street. As it now is, all the cellars in that row are liable to fill every time it rains sufficiently hard to make the gulch run, thereby causing much damage to the persons occupying the buildings, most of whom are renters.

Moki Tea positively cures sick head ache, indigestion and constipation. A delightful herb drink. Removes all eruptions of the skin, producing a perfect complexion, or money refunded. 25 cts. and 50 cts. For sale at Bisbee Drug Store.

## Return of a Captured Flag.

A special dispatch to the Globe-Democrat from Richmond, Ind., dated September 3, says: Preparations are about complete for the return early next month of the battle flag to Terry's Texas Rangers. A large delegation will go from Indiana to make the return in person. In the delegation will be Gov. Mount and his staff, representatives of the G. A. R. and a number of private citizens. They will leave on October 3, and the presentation of the flag will be made on October 5. At the Texas state line the Indiana delegation will be met by a delegation of ex-confederates, ex-Indians and members of the G. A. R.

The last legislature of Indiana authorized the return of this battle flag, Texas having made the request. An appropriation was made to cover the cost of the trip. Senator C. C. Binkley of Richmond, was instrumental in bringing about the return, having introduced the resolution.

The program prepared for the exercises on the day the return is made at Dallas, provides that Governor Mount shall present the flag to Governor Sayers, who in turn will present it to Colonel J. J. Weiler, and he in turn to the Rangers. Weiler, a former Indian, captured the flag. Each governor will be presented with a handsome silk banner, and badges will be distributed each bearing a picture of the flag.

The reports coming to Indiana from Texas are to the effect that the day of the return will be made one of great importance there, and that such emphasis will be given the affair that it will be national in its significance.

They are having some trouble in Benson over school matters, in this: It appears, from an editorial in the "Breeze," that the school trustees in our neighboring town have employed a gentleman to teach in the school at that place who is afflicted with tuberculosis, at least one physician has so certified, and now the board say they don't want anyone so afflicted to be in the school with the children, which in justice to all is perfectly right. But, as the Breeze suggests, it would be hardly fair to take the assertion of one man in a matter where great injustice might possibly be inflicted upon another. Hence it would be but fair to all concerned for the teacher, who has been employed, to undergo an examination by other physicians, and if they confirm the judgment of the one who has already certified in the case, then the gentleman should gracefully withdraw. Otherwise he ought to be allowed to fill his contract with the board and teach the term out.

The great success of Chamberlain's Colic, Cholera, and Diarrhoea Remedy in the treatment of bowel complaints has made it standard over the greater part of the civilized world. For sale by all Druggists.

## Played Out.

Dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores are all positive evidence of impure blood. No matter how it becomes so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Sold by J. S. Williams & Co.

Experience is the best teacher. Use Acker's English Remedy in any case of coughs, colds or croup. Should it fail to give immediate relief money refunded. 25 cts. and 50 cts. Sold by J. S. Williams & Co.

For cold air flues, roof plates and guttering, call on C. A. Newman, ml10f

## Foul-Smelling Catarrh.

Catarrh is one of the most obstinate diseases, and hence the most difficult to get rid of.

There is but one way to cure it. The disease is in the blood, and all the sprays, washes and inhalant mixtures in the world can have no permanent effect whatever upon it. Swift's Specific cures Catarrh permanently, for it is the only remedy which can reach the disease and force it from the blood.

Mr. B. P. McAllister, of Harrodsburg, Ky., had Catarrh for years. He writes: "I could see no improvement whatever, though I was constantly treated with sprays and washes, and different inhalant remedies—in fact, I could feel that each winter I was worse than the year previous. Finally I was brought to my notice that Catarrh was a blood disease, and after thinking over the matter, I saw it was unreasonable to expect to be cured by remedies which only reached the surface. I then decided to try Swift's Specific, and after four bottles were used, I noticed a perceptible improvement. Continuing the remedy, the disease was forced out of my system, and a complete cure was the result. I advise all who have this dreadful disease to abandon their local treatment, which has never done them any good, and take S. S. S., a remedy that can reach the disease and cure it."

To continue the wrong treatment for Catarrh is to continue to suffer. Swift's Specific is a real blood remedy, and cures obstinate, deep-seated diseases, which other remedies have no effect whatever upon. It promptly reaches Catarrh, and never fails to cure even the most aggravated cases.

## S. S. S. For Blood
